

“PRESENT AND FUTURE OF CROSS-BORDER COOPERATION ALONG THE EU’S EXTERNAL BORDERS”

COOPERATION ACROSS BORDERS

- over 30 EU member states and neighbouring countries
- thousands of km of land and sea borders
- 1 billion €

Where do ENI CBC programmes 2014-2020 stand? How are they performing? What results can be expected from the projects already being implemented or about to start? And which opportunities does the future bring? ENI CBC stakeholders will exchange on all of this and more at the:
