

On-line briefings on programming process for

Interreg NEXT Black Sea Basin
2021-2027

Armenia, 7 May 2020

Objectives

- To support the set-up of the national working groups on programming in each partner country, with emphasis on role of the group and the identification of the multi-level partnership and the next steps
- To inform the national authorities about the strategic document issued by the European Commission (EC) and the European External Action Service (EEAS) and the main features of Interreg NEXT programmes,
- To discuss the workplan and the methodology for programming on territorial analysis

Target Groups

Staff of the national bodies involved in the current ENI CBC as well as other institutions at national and/or regional level potentially involved in the programming process. The briefing will be co-delivered by the MA and TESIM, with support from NA.

Agenda

Time ¹	Delivery	Topic
10:45 - 11:00	TESIM	Opening of virtual meeting room and admittance of participants. Support to technical difficulties.
