

# TESIM

Technical support to the implementation  
and management of ENI CBC programmes

## Agenda for the on-line annual coordination event of the ENI CBC programmes involving Ukraine

2 June 2020

A project funded by the European Union

Implemented by a consortium led by

## ON-LINE ANNUAL COORDINATION EVENT OF THE ENI CBC PROGRAMMES INVOLVING UKRAINE

2 JUNE 2020 (09:00 CET; 10:00 EET)

### Goals of the event

The main goal of the event is to share the experience of the four programmes involving Ukraine among the programme bodies and national authorities, as well as to enhance coordination and common understanding of the national legislation relevant for the programme and project management.

### Participants

The event is open to three persons for each of the programme bodies (Managing Authority, Joint Technical Secretariat and Audit Authority) and four persons for each national body (National Authority, Control Contact Point and Member of Group of Auditors). The event will also count with the participation of representative of the unit responsible for public procurement in the Ministry for Development of Economy, Trade and Agriculture of Ukraine and the European Commission.

### Technical details

All registered participants will be invited to a “Zoom meeting”<sup>1</sup> which can be **used with any web browser, without any installation in its computer**. TESIM will prepare specific instructions for connection and participation during the event.
